

Webpage Design Prototypes

Narrative:

The following prototypes are designed as high-level layouts of the processes from the earlier described use cases. These are samples of what each page could possibly look like after the implementation of the new system.

Paying Transaction Online Prototype

This prototype shows a screen that the users may see when wanting to proceed with a payment transaction.

Legislation Page Prototype

This is a wireframe example of how a page devoted to assisting the KHBPA with regards to legislation could look.

Accessing FAQ's Prototype

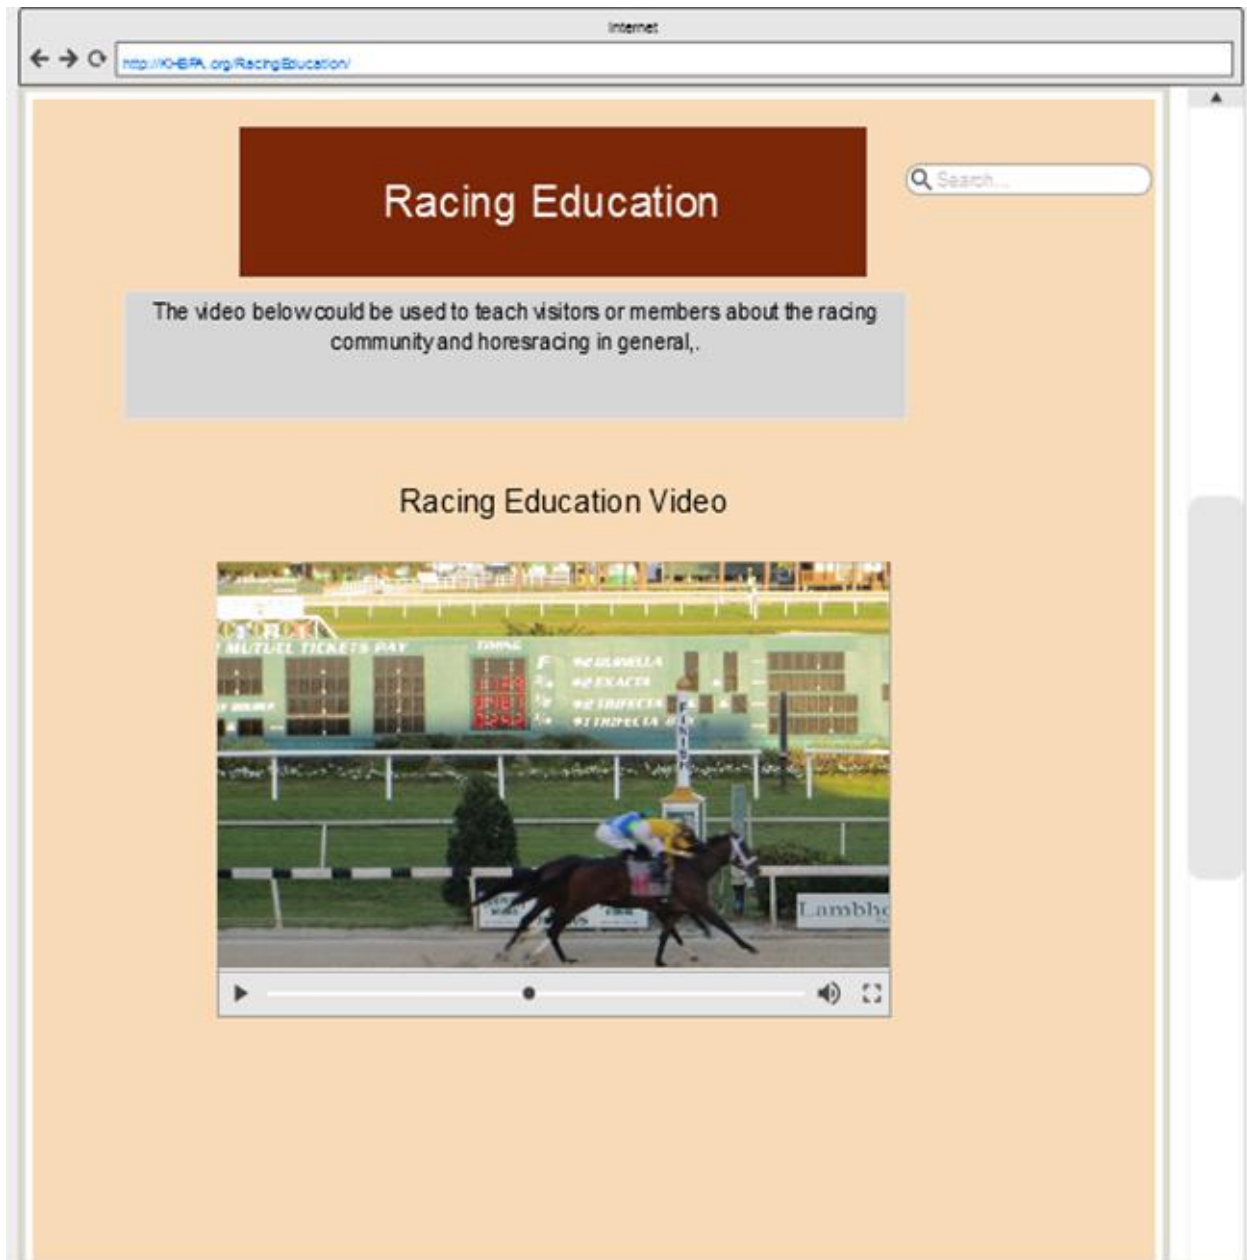

This section is for the wireframe FAQ webpage.

The image shows a wireframe of a web browser window. The browser's address bar displays the URL "http://KHSBA.com/FAQs/". The webpage has a light orange background. At the top left, there is a dark brown rectangular header with the text "FAQ Section" in white. In the top right corner, there is a search bar with a magnifying glass icon and the placeholder text "Search...". In the center of the page, the text "Ask Questions Here" is underlined. Below this text is a large, empty white rectangular box. Underneath the box is a button labeled "Submit Question for Review". At the bottom left of the page, the text "Other user submitted questions:" is underlined. Below this, there are two sets of labels: "Q: —" followed by "A: —" on the first set, and "Q: —" followed by "A: —" on the second set. A vertical scrollbar is visible on the right side of the browser window.

Accessing Racing Education Page Prototype

This is the prototype for a racing education page for anyone interested in learning more about the horseracing community.

Accessing Trainers Page Prototype

This a prototype for the Trainer's page, a forum of sorts, and a general sense of how this page could look.

Making Online Donation Prototype

This prototype shows what a photo gallery might look like. It has photos and navigation arrows.

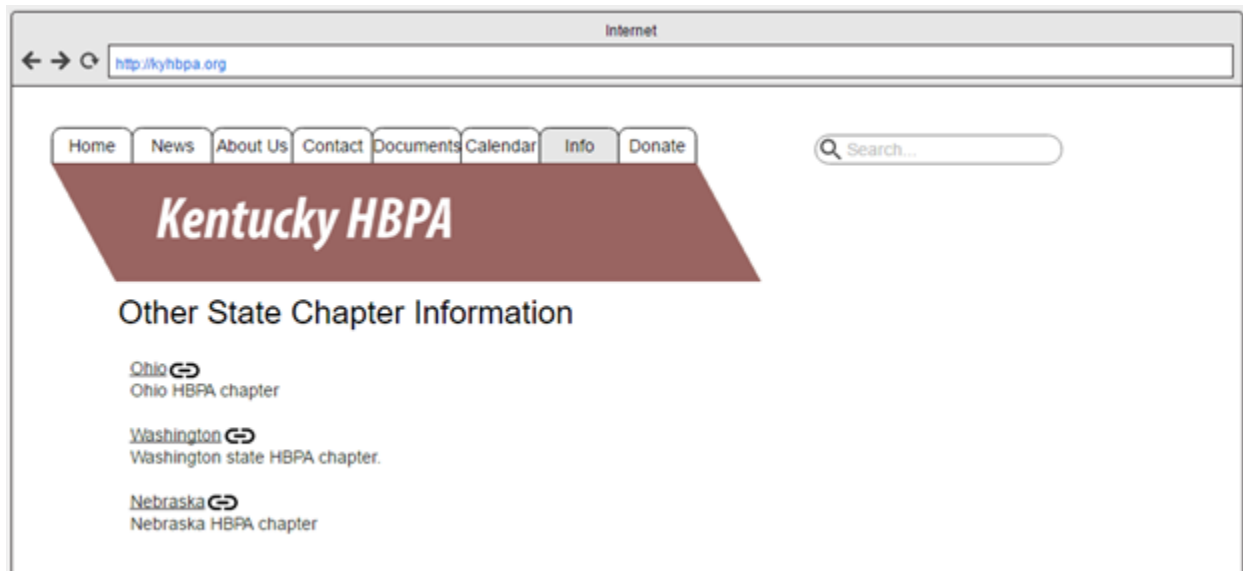

Accessing Track Information Prototype

This prototype shows what a track information screen might look like. It has links and information about tracks in Kentucky.

Accessing Other Chapters Prototype

This prototype shows what an information screen for other state chapters might look like. Links to the other chapters' websites.

Request Information Prototype

This screen shows what an information request could look like. An entry box and submission button are present.

The image shows a web browser window with the address bar displaying `http://kyhbpa.org`. The browser's title bar says "Internet". The website's navigation menu includes links for Home, News, About Us, Contact, Documents, Calendar, Info, and Donate. A search bar is located to the right of the menu. The main content area features a dark red banner with the text "Kentucky HBPA" in white. Below the banner, the heading "Request Info" is displayed. Underneath the heading is a large text input field with the placeholder text "Type your request". At the bottom of the form is a "Submit" button.

Access News Archives Prototype

This prototype shows what accessing the news archives could look like. It has a link to every month for the current and past year. It also has links to years past that, which can be clicked on to access a list of news archives from that date.

Particular Month News Archives Prototype

This prototype shows what could appear once a news archives month and year have been selected. This page would have all articles from its particular month and year. It also offers links to go back one month and to go forward one month.

Post Photos Prototype

This prototype allows users to upload photos directly from their computer. It has text boxes for the user's first and last name and email address, as well, so the KHBPA knows who is attempting to post a photo.

The image is a screenshot of a web browser window displaying the Kentucky HBPA website. The browser's address bar shows the URL <http://kyhbpa.org>. The website has a navigation menu with links: Home, News, About Us, Contact, Photos, Photo Upload, Enroll, and Donate. A search bar is located to the right of the navigation menu. The main heading is "Kentucky HBPA". Below this, the section "Post Your Photos!" is displayed. It contains three text input fields labeled "First Name", "Last Name", and "Email Address". Below these fields is the "Photo Upload" section, which includes a "Select file to upload" label, a "none selected" link, and a "Submit" button. At the bottom, there is a section titled "Connect with us on social media" with icons for Facebook, Twitter, and Instagram.
